
Camp Resilience Year in Review

Helping Those Who Served Bounce Back in Mind, Body, and Spirit

2020 was certainly a year of change for Camp Resilience.

After hosting three wonderful retreats in January, the COVID-19 pandemic forced limitations on our programs and funding opportunities. Despite these restrictions, we moved swiftly to modify programming to include virtual and hybrid formats. This summer, with strong support from partners at the Gunstock Inn, Camp Resilience hosted our 3rd Wounded Warrior Project Family Retreat!

Autumn featured a variety of retreats for individuals, families and couples. With our partner UpReach Therapeutic Equestrian Center, we hosted two Equine Retreats including a successful alumni event. A new Career & Life Planning Retreat was held with partners NOSTOS and Leadership Research Institute. These sessions were well received and will continue to be offered in the future. We are proud to announce our participation in a new partnership—the Lakes Region Veterans Coalition. We will work with local veterans and community leaders to implement a veteran-focused suicide prevention program in the Lakes Region. In addition, PRLI added four new members with diverse backgrounds and strong leadership skills to its Board of Directors. New members include Shelley Carita, former Executive Director and non-profit consultant; Gary Dehnel, US Air Force & Coast Guard Veteran; Daniel Fielding, US Army Special Forces Veteran and author; and Dennis Volpe, US Navy Veteran and Leadership Consultant.

Despite this year's adversity, Camp Resilience hosted thirteen events and served nearly one hundred service members, veterans and first responders from across New England. We would like to thank our amazing staff and volunteers for their commitment and flexibility during this difficult time. Their dedication to our mission is a testament to our resiliency as an organization! We are also thankful for the generous funding partners who have helped us through these difficult times. We received COVID-related financial assistance from the Federal Payroll Protection Program that allowed us to maintain our current staffing. In addition, we received grants from Swim With A Mission, Agnes Lindsay Trust, New Hampshire Department of Military Affairs and Veterans Services, and Red River Charitable Foundation, as well as the Salute the Troops Car and Motorcycle Show.

Virtual & Hybrid Retreats

Adapting to the Current Times

The onset of COVID-19, challenged the communal aspects of PRLI events. Our board and retreat associates worked tirelessly to adapt our retreat format to a virtual and socially-distanced one. Their work resulted in:

- *May Couples Workshop & Peer-to-Peer Retreat*
- *June Family Retreat*
- *July Writing and Art Retreat*

We are continuing to remodel and revitalize our retreat formats. Expect more hybrid and virtual events to come!

Financial Focus

Expenses \$72,246

Non-Program \$27,745

Program \$44,501

*Through Quarter 3

Revenue \$107,930

Donations \$64,108

Program Reimbursement \$7,753

Grant Income \$36,069

Please note in 2020, our program expenses were reduced by 70% due to retreat cancellations and the much lower costs of our virtual and hybrid retreats. We also reduced our fixed expenses by about 20% but could not do more without furloughing our 1 employee. While all expenses decreased - retreat expenses were reduced far more due to the restrictions imposed by Covid-19.
